EDUCATION

Old Dominion University, Norfolk, VA

Master of Degree Obtained

December 2025

Major or Concentration: Computer Science

GPA: 3.74

Osmania University, Hyderabad, India

Bachelor of Engineering

July 2023

CGPA: 2.908

Relevant Courses: Data Science, Computer Networks, Operating Systems, Object Oriented Programming, Web Internet Technologies, Database Management Systems, Artificial Intelligence, Cloud Computing, Cybersecurity, Ethical Hacking.

RELATED EXPERIENCE

- **TeK Certify, Hyderabad, India**

Technical Trainer

June 2023 – November 2023

Delivered in-depth cybersecurity and ethical hacking training, empowering over 550 students from clients like Microsoft, Norton, and DSCI with practical security skills.

Developed and implemented customized training programs, improving student engagement and client satisfaction while achieving the Best Trainer Award for 2023.

- **Hyderabad Batteries Limited, Hyderabad, India**

Internship

October 2022 – December 2022

Assisted in designing and testing a proximity fuse for an aircraft bomb, applying electrical engineering knowledge to enhance defense technology.

- **Defence Research and Development Laboratory, Hyderabad, India**

Internship

June 2022 – August 2022

Contributed to developing the interface for the MIL-STD 1553 bus controller for a cruise missile, ensuring robust communication between mission-critical systems.

Managed confidential data, adhering to strict security protocols and ensuring compliance with top-level security standards.

ADDITIONAL EXPERIENCE

Old Dominion University, Norfolk, VA

Graduate Administrative Assistant, Computer Science Department

August 2024 – Present

Supported daily operations and managed administrative tasks for the department.

Old Dominion University, Norfolk, VA
